To Hold Student Council Nominations Tuesday

Dates have been set by the Student Council for the nominations and elections of next year's Student Council members and Homecoming chairman. Nominations will be held Tuesday, May 6, according to Doug Shepherd, Student Council president.

Polls for Tuesday's nominations will be located in front of Old Main, or in case of rain, in the crosshalls of Old Main.

This year's freshmen will nominate two men and two women for next year's sophomore Council representatives. This year's sophomores will nominate two men and two women for junior representatives on next year's Council.

Juniors this year will nominate students for next year's senior Council representatives. This year's seniors will not nominate or vote for Student Council representatives.

STUDENTS in all classes will nominate one person for next year's Homecoming chairman.

In order to be officially nominated, a student must receive at least ten nominating votes, must have a three point over-all scholastic average, must be a full-time student, and must have the correct number of quarter hours credit to be classified in the class which is to be represented.

Also in the final elections, which are to take place May 6, the newly revised Student Council constitution will be put before the student body for vote. The revised constitution must be passed by two-thirds of the number voting before it can go into effect.

KNAUS TO LECTURE FOR SUNDAY SOIREE PROGRAM
"Advertising Art" will be the subject of George Knaus's talk at the Student Center's Sunday Soiree April 27, at 8 p.m.

Knaus, who is a SIU lecturer in art, said that he will analyze a current ad, showing some devices and techniques which artists use to play-up the important parts of an ad.

Rudolf Serkin To Give Concert Here Monday

Monday, April 28, at 8 p.m., has been scheduled as the time for the appearance of Rudolf Serkin, internationally known pianist, here in Shryock auditorium.

Serkin will present a concert then under the auspices of the Carbondale Community Concert association. SIU students will be admitted upon the presentation of activity tickets.

The program for Monday night's concert will include music by Bach, Mozart, Beethoven, Chopin and other famed composers.

"Rudolf Serkin looks like a scholar and plays like an angel," wrote "Life" magazine recently.

An international figure, the pianist was born of Russian background in Eger, Bohemia (later Czechoslovakia) in 1903. He was brought up in Vienna where he studied piano with Professor Richard Robert and, later, composition under Arnold Schoenberg.

Serkin made his debut at twelve with the Vienna Symphony.

Request June Graduates To Check Degree Lists

According to the Registrar's office, a tentative list of candidates for bachelor's and master's degrees to be awarded June 8, 1952, has been posted in the hall of the Old Science building.

Seniors and graduate students who are planning to be graduated in June are requested to check the list and report any errors or omissions to the Registrar's office.

June graduates have also been reminded to have measurements taken for their caps and gowns at the University Bookstore.

THIS WEEK'S PIN-UP is Joycelyn Wisley, sophomore from Oakdale. Joycelyn is a physical education major in the College of Education. She is a member of the cheer leading squad.

PAT COLLINS, featured vocalist with Buddy Morrow and his RCA Victor dance orchestra who will play here for the annual Spring Festival concert and dance Saturday, May 3.

Report Plans, Progress Of Expansion Program

by Bob Sergent

"Architectural plans for the future expansion of Southern include the erection of many new and more modern buildings on the campus" stated Charles Pulley of the university architectural service.

Hal Haviard's Band To Play For Spring Festival Wharf Club

Hal Haviard and his Dixie Land band from St. Louis will be featured at the Spring Festival Wharf Club Friday, May 21, from 8:30 to 11:30 p.m. in the men's gym. Cliff Karsh, Wharf Club chairman has announced.

The program, which will have a night club theme, will consist of a floor show made up of acts from various organizations and individuals.

A soft drink bar, of which Otis Miller is chairman, and eight student cigarette girls will add to the atmosphere of the occasion. The cigarette girls will be Bernice Wepewski, Sarah Floyd, Diana Davis, Jo Rushing, Phyllis Knight, Jo Ann Cunningham, Celia Hutton, and Dora Rilliard, stated chairman Jane Ross.

DECORATIONS will emphasize the Wharf Club bandstand which will be in the shape of a wharf decorated with fish nets. Mary Ann Klingenberg, Ruth Hoffman, and Sally Smyser are on this committee.

Other decoration committee members are Bob Coatsney, Andy Skidis, Mary Ann Narusis, and Aileen Anderson. The front of the gym will be decorated with a marquee. The interior will be decorated with silhouettes and fish nets. The audience will be seated at small tables. Jim Walmark is in charge of equipment and seating arrangement.

Karch stated that since a maximum of 400 people are to be seated, everyone is advised to purchase tickets in advance.

Pulley said that the present plans for the expansion of SIU involve a general southwest movement with Thompson woods to be the approximate center of the campus.

Pulley stated that progress of the present and future building projects now going on depends highly upon the availability of materials, weather, labor, and especially upon the appropriation of funds from the state.

Pulley continued by saying that the contractor of the new girls' dormitory, located directly west of the Canteen, is striving to complete the south wing of the dorm for September occupancy. The rest of the dormitory will be completed as soon thereafter as possible.

THE CANTEEN is to be torn down and will be replaced by a new cafeteria which will be located north of the girls' dormitory. This is planned to take place during the current year. The cafeteria at the new dormitory will be used by all other SIU students as well as by dorm residents.

Erection of a new industrial education and physical education building as a part of the new University School is now in progress. The building is to contain two swimming pools—one for wading and the other for regular swimming.

The building project which is taking place east of the veterans housing on Chautauqua st. is the Life Science building, which will house the botany, zoology, and microbiology departments. This will group these departments from their present scattered confines into one compact unit.

It is hoped that the Life Science building will be completed by the fall of 1953. Three green houses and one animal experimental house will be located at the rear of the building.

The speech department will have

Mud, Mud, and More Mud

Yes, it most certainly is spring once again, and when we think of spring we think of flowers and sunshine. But for some strange reason, a little rain usually manages to break through the sunshine—you know, those April showers.

And it's just that little rain that makes Southern more often resemble an abode for farm animals rather than an institution of higher learning. However, it's not the rain we have decided to complain about.

When the rains come, one cannot possibly get to several classes (in particular those that are so unfortunate as to be scheduled in barracks K, L, and M) without first receiving a brand new coat of mud for both the right and left shoes.

Yes, we know, as can plainly be seen, that new sidewalks are under construction, and when these sidewalks are completed, there will probably be no room for such complaints as we are making here.

THE QUESTION IS: What happens in the meantime? As for sufficient temporary walks that would at least help keep a little of the mud off, exactly nothing has happened.

It seems to us that before work is started on improving present sidewalks or before a sidewalk is blocked for other work, that temporary sidewalks should definitely be provided.

We repeat that we realize that improvements are being made in the sidewalks, in parking areas, and by moving offices to better locations, and that improvements take time and patience, but is it any crime to want a safe place to walk while such proceedings are going on?

Just this week, a neatly dressed student was in the process of going to a class in one of the previously mentioned barracks and in trying to make his way across a somewhat muddy area, because of no fault of his own, he ended up flat in the mud.

ALTHOUGH THE situation may sound humorous, it should not be placed in that category. An old door had been placed in the mud to act as a stepping stone, and after being walked on all day, it finally gave way with this student. As a result, a pair of shoes and a suit were near ruin.

This is the case of only one student who suffered because of the lack of sufficient temporary walks—no doubt there are more such cases. Students have tried to avoid the mud by walking in the street only to find that, here, too, was an endless sea of a mixture of soil and water.

Perhaps students would volunteer to make temporary walks if they cannot be provided otherwise. At any rate, such walks or pathways should be available before the usual walk is blocked, especially when rain manages to replace the sunshine for awhile.

Time Out!

On this page there appears an open letter to the student body from Clark Davis, acting director of student affairs.

In the event that some students may not take the time to read it without first being a little encouraged, we want to emphasize the fact that the letter is important and that it is quite worthy of the short time it would take to read it.

We of the Egyptian staff agree with Dean Davis in his point that smoking in certain campus buildings is extremely dangerous. We think that the judgment of most university students should be sound enough to recognize this fact.

We just have one point to make—we think that the time spent reading this letter and the time spent in trying to carry out its plea would, without a doubt, be time well spent.

In our opinion, it would be far better to take a little time out now to consider such a problem, than to have to take the time out later to help fight a fire.

"Easy Chick, you're steaming my glasses!"

An Open Letter To The Student Body

To: The Egyptian

From: I. Clark Davis, acting director of student affairs

During the past year there has been a marked increase in the number of students who have been smoking in University classrooms, laboratories, and in the corridors of the buildings on the campus. As each of you realize, the danger inherent in smoking in these buildings is great. The safety of many students is at stake as well as the safety of our own buildings.

A number of groups have discussed the problem and solutions have been difficult to arrive at. I am appealing to the sound judgment and the splendid cooperative attitude of our student body to request that students do not smoke in corridors of the buildings or in the classrooms and laboratories of the University. Smoking will continue to be permitted in the Canteen, the Student Center, the Residence Halls, Cafeteria, and in offices which permit smoking.

The State Fire Marshall's Report has indicated very strongly that smoking should not be permitted in the classroom buildings and it has been hoped that violations would be held to a minimum; but as the months have gone by increased numbers of students smoking cigarettes have brought the situation to such a point that repeated violations have been reported from all quarters of the campus.

Last weekend one small fire was reported in a permanent building. The fire was extinguished quickly, but it would have been a great catastrophe if the fire had gone unnoticed.

Regardless of what type of no smoking regulations are set up, in the final analysis it must be the responsibility of each student to care for the property and facilities of his University. I know that you are proud of Southern and want it to grow and develop as much as anyone of the faculty.

Perhaps it might also be well if

each student could think over his responsibility in terms of campus cleanliness. Bill Marberry has done an excellent job in bringing some plantings to the campus which give it a very distinctive air. The Physical Plant has spent extra time this spring on major improvements about the campus which have beautified it. Students discard paper on the campus without thinking of the effect an accumulation of papers will have on the campus. Some schools have had to resort to a clean-up day in which students participate voluntarily on the campus project. Perhaps Southern will not have to some to that because there will be a year-round effort to keep paper and other debris from getting on the lawn and the sidewalks of the campus. If there are not plenty of containers for waste paper, I should appreciate your telephoning me or one of the members of the Physical Plant staff and perhaps arrangements can be made to get additional disposal units.

I know that you want a clean campus; we can get a clean campus by assuming responsibility for our own actions.

access to the new barracks which are now being constructed south of the cafeteria. Plans have been made for the new building to connect to the other speech building thus forming a horseshoe type structure. The north portion will be composed of classrooms while the south half will be an auditorium.

A NEWLY WIDENED sidewalk is being laid north of Shryock auditorium. This sidewalk is to continue across Route 51 and extend around in back of the Baptist Foundation. Plans have been developed whereby other sidewalks will be built and existing walks will be improved.

The parking lot east of the barracks on Chautauqua st. is now being enlarged and the Information Service house on the corner is to be razed so as to make more parking space available. The lot will have two entrances—one from route 51 and the other on Chautauqua st.

Work has already started on the new route 51 which is to go around the campus instead of through it.

Geography Club Plans Field Trip To South

Visits to a bauxite mine, rice and cotton growing areas, and Reelfoot lake are on the itinerary of a forthcoming three-day field trip being sponsored by the geography fraternity here on campus.

The trip will be taken by bus May 16, 17, 18 and will consist of a journey south into eastern Missouri and Arkansas and western Tennessee and Kentucky. Overnight stops will be made at Little Rock and West Memphis.

A sum of approximately twelve dollars will include transportation, room, insurance, and bridge tolls. Meals will be taken care of by the individual passengers.

This week-end vacation is open to geography majors and all others interested in an educational-pleasure tour. The bus will hold 30 passengers. Registration may be made at the Geography House, 204 West Grand.

Southern Debate Teams Complete Season With Total of 150 Meets

With their participation in the recent debate tournament at Cape Girardeau, Southern's debate teams closed the 1951-52 season with a record of over 150 debates in which they participated.

Southern's representatives at the Cape tournament were JoAnn Eblen and Carolyn Reed, in the women's division, and Lloyd Bitzer and Carroll Boyles, in the men's division.

Jo Ann Eblen received outstanding honors in debate and orations at the Cape tournament and also at

JOANN EBLEN

various other meets during the past year. She is president of the SIU debate fraternity chapter.

The Cape Girardeau affair was the last of nine tournaments which made up this year's season in debate. Four of these were invitational tournaments at colleges in Illinois: Bradley University at Peoria, Greenville College, Eastern at Charleston, and Normal.

IN ADDITION to these, Southern debaters attended invitational affairs at Northeast Missouri State College at Kirksville, Missouri; DePauw University at Greencastle, Ind.; and The College of St. Thomas at St. Paul, Minn. The season closed with the Illinois State Debate Tournament, held this year at Loyola University in Chicago, and last week's affair at Cape Girardeau.

In all, about twenty Southern

students took part during the season, but in most of these debates Southern was represented by one of its four top teams. In addition to the teams of Boyles and Bitzer, and Eblen and Reed, mentioned above, the team of Sue Martin, Sue Smith, and Juanita Nowers in women's debate, and Gene Penland, Charles Tucker, and Jim Gibbons in men's debate, saw the most action.

These four teams engaged in 95 debates and won 60 percent of the season's contests. Only three of the top ten debaters in the four teams mentioned had ever entered college debate before this year.

A. J. Croft, debate coach and member of the speech department faculty, said that this record was bettered this year by only one or two other universities in Illinois.

Tekes To Hold Annual Ball Tomorrow Night

TAU KAPPA EPSILON fraternity's fourth annual spring Carnation Ball will be held tomorrow, April 26, at 8:30 p.m. in the women's gym. Joe Ladd's band will provide the music.

Cliff Karch is overall chairman of the ball and the following men are working with him as heads of committees: Don Lerch, decorations; John Boyd, tables and chairs; Bob Lupella, punch; Eldon Evans, cleanup; Don Shelton, flowers.

Tekes dunked Kermit White in Crab Orchard lake at the Teke-Sigma Pi party last week. The fraternity serenaded Betty McLaughlin, Pi Kappa Sigma and Jo Gee, Pi Kappa Sigma, Monday night. Following the serenading, Charles Parker was taken to the Teke dunking grounds at the lake.

Teke Paul Meuth has dropped out of school.

Bill Grant and the Teke pledges are in charge of the TKÉ concession stand for Spring Festival.

Teke pledges and their dates skipped out Monday night.

THE SIG TAUS and the Delta Sigs had a square dance in Murphysboro, Wednesday, April 16.

Monday night Sig Tau pledges skipped out with the pledges of the Pi Kappa Sigma sorority. They held a picnic at Crab Orchard lake.

Friday night there will be a small house party for all Sig Tau members and their guests.

CHI DELTS, under the direction of Mimi Alecci and Charles Wildy, served the band members of the Rotarian parade Thursday.

Miss Eleanor Taft and Mrs. Loretta Ott were dinner guests of Chi Delta Chi last Monday evening. After dinner there was entertainment and the ladies were shown through the house.

The Chi Deltones performed for the meeting of Southern Illinois editors last Friday.

Week-end visitors were alumnus Bill Wangelin and Glen Asselmier.

SIGMA SIGMA SIGMA'S Founders Day was celebrated Sunday, April 20, at Giant City lodge, with a mother-daughter banquet. Over 100 people were present.

Tri Sigma is sponsoring Faye Keller and Linda Casper as Miss Southern candidates.

Tri Sigma is having a hayride tonight at 7 p.m. at Giant City park. Jo Rushing and Marilyn Watson are co-chairmen of the event.

The Mother's club met at the chapter house Friday, April 18 following a tea at the Delta Sigma Epsilon house.

ANTHONY HALL resident, Ruth Henderson, Benton junior, was third in the Miss Carbondale contest last Saturday night. Barbara Buford, Mt. Vernon sophomore, was also in the contest.

Anthony Hall has chosen three girls to be in the Miss Southern contest. They are Carolyn Collier, Marion junior; Eleanor Miller, East St. Louis sophomore; and Dixie Buyan, Dowell freshman.

Plans are now being made for the Anthony Hall spring formal to be held May 24. The band for the dance has not been chosen.

Co-chairmen for the Midway concessions stand for Spring Carnival are Barbara Buford and Linda Jaquith.

PI KAPPA SIGMA held their formal initiation April 16 for Sally Smyser, Fairfield; Jean Dillman, Jonesboro; and Cathy Polanka, Olma.

Monday night the pledges skipped out with the Sigma Tau Gamma pledge class.

Topsy Turvey Day was held Wednesday, April 23.

Deane Matthews, former member, recently visited the chapter house for a few days. Alums Jean Violet, who is now teaching in Marion, and Dorothea Vaupel McDonald were recent guests at the chapter house for dinner.

Pi Kappa Sigma's representative to the Miss Southern Contest is Mary Jo Zumer.

The representatives from Pi Kappa Sigma for the Wharf Club variety show are Carol Elam and Mary Jo Zumer.

Mary Jo Zumer is chairman of the Greek Week picnic.

Students Receive Raise in Salary

All Southern students were given an overall raise of five cents per hour on their last pay check. The starting wage for inexperienced students now stands at fifty cents. Students working here on campus now may earn between 50 and 83 cents per hour.

Employees who were formerly earning 45 cents per hour were raised to 50 cents per hour, and students working at 60 cents per hour now are getting 65 cents per hour, and so on up the scale. The maximum wage per hour has been set at 83 cents.

According to Dean I. Clark Davis, the pay raises were given to help offset the high cost of living.

WARREN SEIBERT, head of the student employment service, said that he has had several reports of students who returned the checks and asked for an explanation of why they were over-paid. He added, however, "No complaints about the pay raise have been heard as yet."

At the present time there are between 410 and 425 students employed on campus. Their average pay is 59 cents per hour, and they work an average of 71 hours per month. This means the average student monthly check is about 40 dollars.

Tennis Men Beat Eastern 5-2, Travel To Evansville Next

SIU's tennis team won its second match and first IIAC outing of the season last Saturday, 5-2, at Eastern Illinois State, Charleston. The win gave Coach Jim Wilkinson's boys a record of 2-2 for the present campaign.

CHARLES PISONI, Herrin freshman, set the pace for the match with an opening two-set win over Hunt of Eastern. After two singles defeats from the Charleston team, the Salukis snapped back with singles wins by Haile and Fly, and doubles victories by Pisoni and Lape, and Haile and Flota.

Yesterday, April 24, Southern's netters traveled to Washington University in St. Louis for the fifth match of the year. Tomorrow, the team will travel again, this time to Evansville College in Indiana. Evansville inaugurates tennis this year with a seven-match schedule. Not having a team last season, the sports editor at Evansville reveals that the prospects for 1952 are not good.

Results of the Eastern meet:
Pisoni (S) beat Hunt (E), 6-1, 6-1
South (E) beat Flota (S), 6-1, 6-2
Schreck (E) beat Lape (S), 6-0, 6-2
Haile (S) beat Sharp (E), 6-3, 4-6, 6-1
Fly (S) beat Pork (E) 6-2, 6-2
Pisoni and Lape (S) beat Hunt and Schreck (E), 6-4, 6-4
Haile and Flota (S) beat South and Sharp (E), 8-6, 11-9.

Normal Defeats SIU Linksmen 8-7

Southern's golf team faced Illinois Normal last Friday afternoon, April 18, at home and was nipped 8-7 for the third loss of the season against one win. In all, the Southern linksmen covered the Jackson County Country Club course in three less composite strokes than the Normal men, but they lost out in the point totals.

LOW MAN for Coach Lynn Holder's team was Mt. Vernon's Jim Wilson who scored a 38-38, 76. His low score, however, netted Southern just a half point as his opponent fired a 74. It was the second straight match in which Southern golfers had shot low rounds but had been defeated. An earlier Rolla meeting found the Salukis on the short end even though shooting some of the year's best golf.

Next Wednesday, Southern will travel to St. Louis University in St. Louis to meet the Billikins. There will be a return match with them in Carbondale, on May 13.

Results of the Normal match:

Saluki Spring Sport Season Ends May 31

After this week-end's activities, approximately two months of competition will remain on the spring sports schedule for the Saluki baseball, track, tennis, and golf squads. The baseball team will close out the season May 31, the track squad May 31. Activity in golf and tennis will cease with the conference meet May 24.

Coach Glenn (Abe) Martin's baseball team has 11 games remaining on its 1952 schedule, five of which are home games. Southern's home baseball field is located at Chautauqua st., west of the Veteran's Housing project. The remaining games are scheduled as follows:

Apr. 25—Michigan Normal at Ypsilanti, Mich. (2); 29—Washing-

Ginger, Carl England, William Nesbitt, and Bill Young.

England and Nesbitt are members of the photographic service staff; Beverly Fox, Joyce Weece, and Helen Nance are members of the Egyptian staff; Bill Young is a journalism major, and Dolan Ginger is an SIU alum who majored in journalism.

A business meeting was held following the initiation ceremony.
